

PREVENTATIVE MAINTENANCE SERVICES

Cooling System Fluid Exchange Service

Cooling System Service

\$154.00

Clean, exchange and condition antifreeze in coolant system. Antifreeze breaks down causing rust and scale build up in the coolant system which leads to component failures.

Brake Fluid Exchange Service

Brake Service

\$82.47

All brake fluid is exchanged and replaced with new highly formulated brake fluid.

Transmission Fluid Exchange Service

Transmission Service

\$287.45

Visual inspection of transmission for external leaks, proper mounting and linkage adjustments. All transmission fluid is exchanged and conditioner added.

Fuel/Air Induction Service

Fuel/Air Induction Service

\$227.99

Cleans front and back throttle plates, intake manifold, combustion chamber, fuel injectors, catalytic converter, oxygen sensor & carbon off valves.

GDI Fuel Service

Fuel/Air Induction Service

\$257.63

Cleans front and back throttle plates, intake manifold, combustion chamber, fuel injectors, catalytic converter, oxygen sensor & carbon off valves.

Maintenance schedules are based on factory recommendations, New England driving conditions and our expert opinion. Prices are for most automobiles, recommendations may vary on some models, including hybrids, diesels & AWD/4WD. Environmental charges extra. Prices are subject to change without notice and effective Oct. 2018. The pricing offered in this schedule is not to be combined with any other discounted offer.
